

Society for Applied Philosophy

Annual Conference 2021

Online conference (Zoom) 2 – 4 July

Please join the conference through the link which will be forwarded ahead of the event once you have registered. The link will take you to the virtual main meeting room. When you register, you will be invited to select the papers you plan to attend. The selections will be used to automatically transport you to the relevant breakout room. If you change your mind on the day, please leave the session and ask the host to move you to the session you prefer. After each session you will be returned to the main meeting room automatically. All plenary events will take place in the main meeting room.
